REPORT OF THE TRUSTEES OF INGALLS MEMORIAL LIBRARY

The condition of your library continues to be very sound: culturally, physically, and financially.

Culturally — Many new books have been added to the shelves, the number of people using the library has increased, and the help and advice being given by the staff continues on a high level. Our thanks go to Mrs. Gray and Mrs. Danforth for their continued interest in our library and all who use its facilities. We would also like to thank all those people who have been so generous in their contributions of books, magazines, and money.

Physically — The building was painted this year and many of the windows have been reglazed. The building now seems to be in good condition. We would like to thank Mr. Crowell for his very devoted care of the grounds and building.

Financially — Your library ended the year in the black with a small balance. This was possible due to the very good return from some of the investments in our trust funds over the past two years. This unusually good return is not anticipated this coming year and it probably will be necessary to ask the Town for a small increase in our appropriation if we are to maintain the same high standard of service as in the past.

Following is the complete financial report:

During the year 1958, the circulation of the library was substantially increased. Many new names were added to the list of patrons.

In February it was decided to open the library Tuesday evenings from 5:00 P.M. to 9 P.M. and the decision has proved very successful. High school pupils have taken advantage of the opportunity for study and research work and many adults have found it convenient to have an opportunity to borrow books in the evening.

A very fine collection of books was presented to the library by Mr. Frank Popple. We are most grateful to Mr. Popple for some fine additions to our reference shelves.

Through the kindness and thoughtfulness of Mr. Edward MacCloud, a record collection has been started. Other friends have added to it, and it has been very popular. We hope to build a worthwhile library of good music.

As usual an attempt has been made to purchase books for the children's department which will meet their reading requirements and which will correlate with their school work. The library sponsored a contest in the Memorial School in which illustrations for stories and essay writing were judged and prizes awarded. During

September a most interesting and attractive art exhibit was on display in the Symonds Room. Pastels, oils and wood carvings were shown by the talented group of artists in Rindge.

In an effort to make our services as helpful as possible, and to keep abreast of methods and ideas the trustees and librarian have attended several conferences conducted by the N. H. State Library Personnel and have visited exhibits and other libraries. With the hope that this library may join with other organizations in services to the town, the librarian was guest speaker at the November PTA meeting. Resources available to all patrons of the library were discussed.

The following friends of the library made contributions of books, magazines, money and records:

Prof. and Mrs. Douglas Adams, Mrs. Arthur Allen, Mr. H. H. D. REPORT OF DISTRICT CLERK

MINUTES OF SCHOOL DISTRICT MEETING
MARCH 7, 1958

Polls open from 2:15 P.M. to 7:30 P.M.

Article 1. James F. Allen elected Moderator.

Article 2. Ralph H. Pangborn elected Clerk.

Article 3. Florence E. Stebbins elected Treasurer.

Article 4. Newell Whitaker elected a member of School Board.

Article 5. Voted that the salaries of the District Officers be as follows: Chairman of the School Board $110.00, Clerk $5.00, Treasurer $60.00, Moderator $5.00, Ballot Clerks $1.00 per hour each, Auditors $15.00 each.

Article 6. Voted that the reports be accepted as printed.

Article 7. Charles H. Rice, Jr., Walter Cleveland elected Auditors.

Article 8. Budget. Voted to raise and appropriate the sum of $73,399.00 for school purposes.

Article 9. Voted to raise and appropriate the sum of $2,231.00.

Article 10. Voted to use the town check list at school district meetings.

Voted to direct the School Board to include in the 1959 Warrant an article to rescind the Non-Partisan Ballot system.

The following resolution was offered:

Whereas C. Edward Whitney has served as a member of the Rindge School Board for the past three years and whereas the pressure of business dictates that he retire, be it resolved that a rising vote of thanks be tended to Mr. Whitney for his conscientious service to the School District of Rindge, and be it further resolved that this be spread upon the record of this meeting and the Clerk send a copy to Mr. C. Edward Whitney.

Respectfully submitted,
RALPH H. PANGBORN
Clerk

E. WARRANT

To the inhabitants of the School District in the town of Rindge qualified to vote in district affairs.

You are hereby notified to meet at the Memorial School in said district on the 6th day of March, 1959, at 2:00 o'clock in the afternoon to act upon the following subjects: (Polls open from 2:15 to 7:15).

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to purchase an additional school bus, and to appropriate a sum not to exceed $6,500.00 for purchase of said bus, not more than $3,000.00 to be raised by certification to the selectmen as an assessment to be raised by the town for this purpose, and a sum not in excess of $4,500.00 through the issuance of notes upon the credit of the District, or take any action relating thereto.

10. To see what sum of money the district will vote to raise and appropriate as a Capital Reserve Fund for replacement of school bus or busses.

11. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public

Law 85-864, and to authorize the school board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

12. To see if the district will vote to rescind the Non-Partisan ballot system.

13. To see if the district will vote to raise and appropriate the sum of $1000 for a summer recreational program for school aged children, or take any other action relating thereto. (By petition)

Given under our hands at said Rindge this 19th day of February, 1959.

B. SCHOOL PROGRAM

The storm created by Soviet Russia's advancement in science caused much criticism of public education in the United States. Regardless of the validity of the charges, it all served to challenge us to evaluate our schools and to examine our educational program more objectively.

The supervisors and faculty realize the importance of the total development of each pupil in all phases of education, especially the skilled subjects in our school curriculum. Continued emphasis is being placed on such educational fundamentals as reading, spelling, and arithmetic in an effort to develop better understanding in science, current community, and world affairs. Related activities are being conducted to insure an opportunity for personality and character development. A few of these activities are mentioned in this report.

The Christmas program, Memorial Day exercises, and our Annual Field Day program have been highlights of the past year. Every child was encouraged to take part in these programs according to his ability and interest. Therefore, in all of these activities the pupils have either assisted or participated in the programs under the teacher's supervision. The teachers express their appreciation to the parents who have assisted in these activities.

A variety of sports such as speedball, softball, touch football and other games were conducted for the children during recess periods. A few softball games for boys were conducted with nearby schools last spring.

The annual school trip to Sargent Camp gave the fifth and sixth grade children the opportunity to practice democratic group living and group planning. Such a camping program makes classroom instruction more meaningful in that it provides many experiences related to science, geography, history and conservation which are impossible to provide in the classroom.

Several field trips were taken directly related to the areas of curriculum under study. The primary grades made a trip to Upland Farm in Peterborough, where they observed all aspects of apple harvesting. At the Meadowbrook Fire Station in Fitzwilliam they studied fire fighting equipment and the training school. Grades four and five visited the local post office and telephone exchange. (A repeat on these visits is planned to acquaint the children with the changes from year to year.) While studying weaving in other countries, the class visited the Jaffrey Mills to observe our weaving machines in operation. Last spring the fifth and sixth graders visited the historic centers of Lexington, Concord, and Bunker Hill. A visit to Old Ironsides and the Children's Museum also proved of great interest.

During November the Iowa Achievement tests were given to grades three through six. The average for each class came close to the national average for each grade. This means our pupils can compete scholastically with youngsters in other parts of our country of the same grade level. These tests are being used as guides by the teachers to determine which areas of learning have been mastered, as well as the areas needing greater emphasis.

Under the auspices of the P.T.A., Open House attracted many parents to confer with the teachers on the progress of their children. We feel much was gained by these conversations and it is our hope that such conferences will continue throughout the year.

The school faculty and administration would like to express their appreciation to Mr. Howard Burt and Mrs. Natalie Whitney for their assistance and cooperation in the performance of their duties. Rindge can be proud of the attractive appearance of the school building and the many hours spent in preparing over 14,000 appealing well-balanced meals each year. These two conscientious people are an asset to our school program.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

The general health of the pupils in the Rindge Memorial School has been good with the exception of the usual colds, stomach upsets, 26 reported cases of German measles, and 3 cases of chicken-pox.

Dr. Franklin Sterling continues as school physician, examining the pupils in the odd numbered grades each year. He initiates the general school health policies and carries out any immunization programs he deems necessary and useful.

In addition to the examinations by the doctor, the school nurse conducts vision and hearing tests, weighing and measuring, and general checkups for defects. Recommendations are made to the parents as to necessary corrective work. Your nurse spends about half a day per week in the Rindge School.

The annual dental clinic, sponsored by the Rindge School Board in cooperation with the State Health Department Dental services, was carried out with 19 children attending. This took 7 half days with 42 appointments, 86 fillings, 16 extractions, and 3 cleanings. Twelve children were completed. Only those in most

need of dental work, who could not otherwise have it done, were selected because of limited funds. Many were left on the waiting list when the funds were exhausted. The children were transported to Dr. Moore's office in Jaffrey by the school nurse for their appointments.

Salk polio vaccine shots were given to 128 school and pre-school children by Dr. Sterling. Most of our Rindge children are now protected from polio.

This was the year for the Rindge T. B. patch tests. One hundred pupils and the school personnel were tested, including 6 chest X-rays. All were negative for tuberculosis.

In early June prospective first-graders were invited to school for the day for the annual pre-school registration and tests. At this time health histories are taken, birth certificates noted, record systems set up, classroom needs and school bus schedules planned. Children are checked for vision and hearing difficulties or any possible defects for summer correction and vaccinations. An opportunity is provided for pupils and parents to become familiar with the school and the teachers, as well as regulations, facilities, administrative personnel, and the school calendar for the year. If all incoming pupils register at this time, there is less confusion and fear in the fall, and school administrators are able to make definite plans for all the needs early in the summer.

Necessary professional meetings, conferences and workshops were attended by the nurse. These took nine days' time, much of it on weekends and during vacation weeks. Places of meetings were at Walpole, Laconia, Manchester, Keene and Concord.

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as ($200) two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

SAVE YOURSELF MUCH POSSIBLE DIFFICULTY
